#### QUARTERMAINE’S TERMS

This event is organised by **Nadia Ostacchini**. The first production was directed by **Kenneth Michaels**. He is now re-directing this play for this event. A poster is attached to this newsletter with all the details.

## EVENT ON 12 NOVEMBER

The following is from **Robin Marchal** who is giving all members plenty of time in which to take part.

“With members **Ken Michaels, Penny Culliford and Peter Haycroft**, I would like to announce that on **Tuesday, 12 November**, we are arranging another evening of ‘**Playets**’ at the CAA, 20 Bedford Street. Why such early notification? Well, all members and friends are welcome to write a piece, up to ten minutes in length, on the theme of ‘**HOMELESSNESS**’ and most of us know how long it can take to come up with a new idea. So, no pressures timewise. Details as to submission of pieces will follow in another newsletter.”

This will be the fourth such evening. All the others have been so well supported by CaAPA members as writers, performers and as supportive audiences. In addition, voluntary contributions ‘on the night’ have raised significant sums for other charitable organisations who expressed deep thanks and gratitude.

## NEWS OF OUR MEMBERS

**Toby Stephens** will be appearing in the drama **Summer of Rockets** on BBC2 in the not too distant future. The cast includes **Keeley Hawes, Lucy Cohu, Linus Roche** and CaAPA member **Victoria Kinmont**.
